

PareXLahabra

800 West Broad Street – Falls Church, VA

ProjectProfile

Size: 16,000 sq. ft.

Distributor: Performance Materials, Inc.

Applicator: Century Contracting Corporation, Inc.

Century Contracting Corporation has been in business for over 20 years. Throughout that time, they have completed over 3,000 projects in a way that embraces professionalism, integrity & fairness. No project is considered too small, too large, or too complicated. At Century Contracting they are more than a service, they are people that deliver on their promises and most of all, their success depends on your satisfaction.

The Challenge

- Required the addition of raised 2" foam vines and flower details on three elevations
- Majority of project was heated and tented due to cold temperatures

The Solution

- Parex 495 Keyguard
- Parex 121
- Parex Standard Mesh
- Parex Detailing Mesh
- Parex Sandstone Finish
- Parex Swirl Fine Finish
